WHY WE'RE THE EXPLORERS

La Salle University's nickname — The Explorers — was erroneously bestowed by a sports writer covering a La Salle football game (La Salle played intercollegiate football from 1931-41) on campus sometime during the '30s. He thought that the school was named after the famed French explorer of North America.

In reality, the school was named after St. John Baptist de La Salle, the French educator and founder of the Christian Brothers. Despite the error, the nickname has remained.

LASALLE BASKETBALL

COACHES

Head Coach John Miller

Consistent, or more specifically a consistent winner is one of the best ways to describe La Salle's John Miller.

Since taking the helm in 1986, Miller has compiled an overall collegiate coaching record of 225-96, making him the winningest coach in Explorer women's basketball history. To his credit Miller has six 20-plus winning seasons, four Metro Atlantic Athletic Conference (MAAC) regular season crowns, four Philadelphia Big 5 Championships, two NCAA Tournament appearances and one National Women's Invitational Tournament (NWIT) appearance. At the close of the 1989 season, Miller's Explorers were ranked No. 18 in the Associated Press (AP) poll. He has also claimed three Philadelphia Big 5 Coach of the Year honors, three MAAC Coach of the Year honors and a Regional Converse Coach of the Year Award.

With that tradition in mind, it is no surprise that in 1996-97, the Miller-led Explorers posted their 13th straight winning season with a 21-7 overall record and a 12-4 mark in their second season in the Atlantic 10 Conference. Despite the fact that they were the new kids on the block in the Atlantic 10 in 1995-96, the Explorers advanced to the championship game of the Atlantic 10 Tournament. During that season, Miller notched the 200th victory of his collegiate career with

an 85-50 win over the University of Dayton. The 1995-96 season also saw Chrissie Donahue and Lori Sparling become the 13th and 14th players, respectively, to reach the 1,000th point plateau. All in a season's work for Miller.

During the 1990-91 season, Miller recorded his 100th victory and became the first La Salle women's coach ever to amass 100 wins. Miller's 100th victory was also a significant milestone for the University because it was the 300th victory for the La Salle women's basketball program. Then just three seasons later, he recorded a personal best coaching milestone as he won his 300th victory (includes 150 high school wins).

In addition to his own achievements, Miller has also witnessed many individual player accomplishments. Jenn Cole became the all-time leading scorer, Chrissie Donahue moved into the second spot and Jenny McGowan became the all-time steal leader, while Mimi Harris became the all-time assist leader. Miller also stresses the importance of the well-rounded student-athlete. Both Mary Greybush and Cole were named GTE Academic All-Americans. Last season's team posted a 3.501 combined GPA, highest among all 300 Division I schools.

Before joining the La Salle staff, Miller coached extensively on the high school level. In 1976, Miller was named the head coach of the boys team at Archbishop Ryan High School, after serving as

an assistant to "Speedy" Morris at Roman Catholic High School for five years. During his nine-year stint at Ryan, Miller was twice named Catholic League Coach of the Year. From Ryan, Miller moved on to Monsignor Bonner High School for one year, where he closed out his high school coaching career with 150 wins to his credit.

Miller, a 1969 graduate of St. Charles Seminary, holds a Bachelor of Arts degree in Philosophy. In 1976, he obtained a Master's degree in Guidance and Counseling from Villanova. Originally from Reading, PA, Miller and his wife, Emily, now reside in the Roxborough section of Philadelphia with their eight-year-old daughter Katie.

Coach Miller has coached the top two scorers in school history.

Last season, John Miller led the Explorers to a 21-7 record, their 12th-straight winning season with Miller at the helm.

Assistant Coach Tom Lochner

Tom Lochner is set for his 11th season as the top assistant in John Miller's coaching staff. Lochner met Miller at the NCAA Final Four in 1987 and joined the Explorers' staff for the 1987-88 season. He had coached the girls basketball team at his Alma Mater, Bishop Gibbons High in Schenectady, NY, from 1980 to 1987. His first two years were spent teaching the junior varsity, followed by four years as the head coach.

During his head-coaching tenure, Bishop Gibbons' record was 88-13, and captured the 1986 New York State Championship (Large Division) with a 26-2 record. His team also won three sectional titles and he was honored as New York State Section II Coach of the

Year in 1985 and 1986.

In addition to his coaching at the high school and college levels, Lochner has done extensive summer camp work, stressing fundamentals to the young campers. Tom holds two degrees from Temple University, a Bachelor of Science degree in Physical Education/Athletic Administration (1989) and a Master's degree in Education (1996). He also has an Associate's degree in Marketing from Hudson Valley Community College in Troy, NY.

Lochner, wife, Beth, and son Curtis (born in December, 1996) reside in Willow Grove, PA, a suburb of Philadelphia.

Assistant coach Lochner discusses strategy with coach Miller.

Assistant Coaches

Chrissie Donahue

Arguably the greatest women's basketball player ever at La Salle University, Chrissie Donahue joins John Miller's staff for her first season as an assistant coach.

Sitting on the sidelines in street clothes will be an unusual experience for Donahue. The power forward from Cardinal O'Hara High School started all 115 games in her illustrious career, the only player in La Salle women's basketball history to start every game over a four-year span.

Donahue scored 1,818 points, second on La Salle's all-time list to Jenn Coles (1,875). Donahue also finished with 914 rebounds, good for third on the all-time list. La Salle posted a 79-36 record in Donahue's four years.

Donahue was selected first-team All-Atlantic 10 as a senior and was a second-team honoree as a junior. She was a three-time first-team All-Big 5 selection, while earning Big 5 Player of the Year in 1994-95 and Big 5 Rookie of the Year in 1993-94.

Margit Rinke

Margit Rinke joins the La Salle staff for her first year as a graduate assistant. She was a teammate of Donahue's on the successful Explorer teams from 1993-94 to 1996-97.

Rinke started all 28 games at the center position during her senior season, averaging 8.6 points and 5.0 rebounds. She played in 105 games during her La Salle career, making 48 starts, scoring 855 points and grabbing 482 rebounds.

Rinke is pursuing a master's degree in psychology.

Academic Achievement

LA SALLE WOMEN'S BASKETBALL TOPS ACADEMIC CHARTS

The La Salle University women's basketball team had the highest grade point average of 3.00 Division I playing institutions in 1996-97, according to the Women's Basketball Coaches Association (WBCA).

The Explorers compiled a 3.501 GPA last year, with seven players gaining better than a 3.50 GPA and one Rhodes Scholar applicant.

"The players are not allowed to ask me questions in practice, because I don't have the answers. They're too smart," quipped La Salle Head Coach John Miller. "I've always

preached that we recruit the person more so than the player. The names of the people may change from year to year, but the personality stays the same. This honor just proves that when you recruit quality people, you get quality results on and off the court."

Laura Newhard, a sophomore from Northampton, PA, posted a 3.68 GPA as an education major. In limited action off the bench, Newhard averaged 2.3 points and 1.6 rebounds per game as a freshman. Newhard collected second team All-State honors as a

senior in high school.

Katie Wolfe, a senior from Ambler, PA, and Archbishop Wood, owns a 3.5 GPA majoring in management. As a part-time starter, Wolfe averaged 9.0 points per game and 2.5 assists per game last season. Wolfe was a four-time All-Catholic selection and two-time Most Valuable Player of the Catholic League Northern Division.

Ann Gallagher, from Springfield, PA, and Cardinal O'Hara, graduated with a 3.6 GPA in psychology, while a member of the Honors Program. The starting point guard for three seasons, Gallagher averaged 3.8 points and 3.6 assists per game last season and 3.9 points and 4.0 assists per game for her career. Gallagher collected *Philadelphia Inquirer* All-Southeastern PA and All-Area honors as a high school player. She is now employed with SmithKline Pharmaceuticals.

Tina Wahl, from Ambler, PA, and Gwynedd Mercy Academy, graduated with a 3.99 GPA from the political science program, while a member of the Honors Program. A former walk-on, Wahl was a Rhodes Scholar candidate and a member of Channel 6's Best of the Class of 1993. She is now working in community service for Covenant House in New York City.

Other returners with high marks include senior Sarah Haynes, from New Palestine, IN, with a 3.85 GPA with a dual major in math and secondary education. Senior Sarah Weiss, from Libertyville, IL, has a 3.59 in elementary education. Also, junior Carrie Jewett, from Circle Pines, MN, has a 3.91 GPA in mathematics while a member of the Honors Program.

Last season the Explorers finished 21-7, second in the Atlantic 10 West with a 12-4 mark. That was the La Salle's seventh 20-win season in the last 13 years.

1997-98 Preview

Coach John Miller, preparing for his 12th season as La Salle University women's basketball coach, looks at his glass and sees it half-empty and half-full.

The empty part is the vacancy created by the graduation of four-fifths of his starting lineup, including Chrissie Donahue, the Explorer's second leading all-time scorer, her two former Cardinal O'Hara High teammates, Ann Gallagher and Marnie McBreen, and hard-working center Margit Rinke.

On the other hand, or in the full part of that glass, Miller sees five tested veterans returning and possibly his best recruiting class since September 1993. Miller and assistant coach Tom Lochner went out early and packaged five signees, coming up with a prospect at each of the five positions.

The 1996-97 season produced a 21-7 overall record, a second-place finish in the Atlantic 10 West with a 12-4 conference mark, a quarterfinal round victory over Virginia Tech in the post-season tournament and the championship of the La Salle CoreStates Invitational in-season tournament. The seniors ended with a four-year record of 79-36 (.687). Donahue emerged with 1,818 points, falling only 57 points shy of the 1,875 posted by Jenn Cole from 1989 to 1993.

But that is what was. Now, what will be?

Miller can turn to players like tri-captains Sarah Haynes, Katie Wolfe and Sarah Weiss, plus holdover reserves Carrie Jewett and Laura Newhard for experience while the newest Explorers will probably be thrust into action immediately.

"Back when Chrissie, Marnie, Annie and Margit came in, it was a major turnover, just as this is going to be," Miller said. "The freshmen will have to contribute because we have only those five players from our recent successful groups."

Haynes, a senior forward-guard from New Palestine, IN, made second team Philadelphia Big 5 and was fifth in the country in three-point field goal percentage (43.4%). Haynes hit seven three-pointers against Pennsylvania, tying Cole's school record set in 1992. Wolfe started 16 games, averaging 9.0 points a game and shooting almost 40% while averaging 27 minutes a game. She will be the starting point guard

three-guard offense and also can fill in as a small forward.

Each of the five newcomers earned big-time credentials in high school.

Mandy Dubbs, 5-10 guard from Pine Grove Area (PA) High, averaged 16.8 points, 5.6 rebounds and 4.6 assists and her 1,728 points put her fourth on her schools all-time list.

Melissa Hindenlang, a 6-2 center from Westmont Hilltop High (Johnstown, PA), tossed in 19 points and grabbed 14 rebounds as a senior.

Shannon McDade, a 6-1 forward, poured in 1,873 points, a school record for Philadelphia's Nazareth Academy, and averaged 19.6 points and 9.5 rebounds.

Marjorie Rhoads, 5-10 guard/forward from Columbia (PA) High, graduated with a school record 2,573 points, an academic standing of second in her class and the honor of being the salutatorian at her graduation. In her senior season, Rhoads averaged 26.8 points and 4.2 assists a game.

Jen Zenszer, 5-7 guard from Bishop McDevitt in suburban Philadelphia, averaged 19.9 points per game in her senior season which saw her finish with a school mark of 1,812 points, and the award as the Outstanding Player in the Philadelphia Catholic Leagues Northern Division.

McDade, Dubbs and Rhoads won All-State honors and Hindenlang was named all-district. Dubbs, McDade and Hindenlang all participated in the prestigious Pennsylvania All-State Game.

Put everything together and Miller and Lochner, plus coaching staff additions Donahue and Rinke, have a job ahead, mixing the old with the new, and trying to get that glass moving up toward completely full as soon as possible once the season gets underway.

Katie Wolfe should see time at both guard positions this season after averaging 9.0 points per game last year.

and also can move into the shooting guard spot when the situation arises.

Jewett, the lone junior on the team, and Weiss both were valuable off-the-bench players a year ago and will move into starting roles for the upcoming season, where their experience, rebounding and defensive skills will be welcomed. Newhard, the Explorers only sophomore, will be counted on as a starter as a shooting guard in La Salle's

1996-97 Review

The 1996-97 season saw the Explorers play well throughout the season, then lose to eventual league champion St. Joseph's in the Atlantic 10 Tournament. With the end of the season came the end of an era. La Salle lost seven players, including Chrissie Donahue, Ann Gallagher, and Marnie McBreen. These three combined for 3,254 career points and 1,518 career rebounds.

The team finished 21-7, good for second in the Atlantic 10 West, then lost to the tournament champion for the second straight season. La Salle's 20-win season was its seventh in the last 13 years.

In their two seasons in the Atlantic 10, the Explorers have compiled a 40-17 overall record, including a 22-10 mark in conference play.

La Salle started quickly with a 5-0 record before losing to Big 5 foe Villanova. The Explorers entered conference play with an

8-2 mark. After winning six of their first eight conference games, the Explorers rolled off five consecutive league wins, four of which were on the road.

After these five straight wins, the Explorers lost to George Washington and St. Joseph's, the Atlantic 10's two NCAA Tournament representatives. La Salle then traveled to Virginia Tech to close out the regular season, and came home with a 67-54 win.

As luck would have it, these two teams faced each other again in the quarterfinal round of the Atlantic 10 Championships at Hayman Hall. The Explorers defeated Virginia Tech 81-66 for the right to face St. Josephs in the semifinals.

In that game, La Salle shot 30.8 percent in the first half and dug a hole it could not get out of, losing 61-51. This not only ended the season, but it also sealed the Explorers' fate. They did not receive a bid from the NCAA selection committee, despite a 21-7 record. They played three teams, Florida International, St. Joseph's, and George Washington, all of which made the NCAA Tournament.

Unfortunately, five of their seven losses came from those three teams. The Explorers lost twice each to George Washington and St. Joseph's.

Donahue finished the season averaging 17.2 points and 8.4 rebounds, good enough to secure her a spot on the Atlantic 10 and Philadelphia Big 5 first teams. The selection to the Big 5 team was her third straight first team selection.

McBreen, who missed the first five games due to injury, finished second on the team in scoring with 10.5 points. Because of the injury, McBreen finished 19 points shy of 1,000 for her career.

The other five seniors, Margit

Sarah Haynes was one of the NCAA's most accurate three-point shooters, finishing fifth in the final rankings.

Marnie McBreen finished second on the team in scoring and narrowly missed the 1,000-point mark.

Rinke, Stephanie Coddens, Gallagher, Tina Wahl, and Erin Dalt — two of which were walk-ons — combined to average 13.0 points and 8.7 rebounds per game.

The two most important returners for 1997-98 will be Katie Wolfe and Sarah Haynes. They combined to average 19.4 points and shot 41.8 percent from three-point range last season. Along with Sarah Weiss, they will be tri-captains leading a young team into action this season.

Rounding out the returners are junior Carrie Jewett and sophomore Laura Newhard. They combined to average 6.7 points and 4.7 rebounds per contest.

With five incoming freshmen, Coach John Miller is looking to stay near the top of the Atlantic 10. He is hoping the new recruits can mix with a solid veteran group and be a force to reckon with for years to come.

Atlantic 10 Conference

Once again, the Atlantic 10 has proven itself to be among the nation's top intercollegiate conferences with the goal of striving to attain an even stronger presence as the world looks toward the 21st century.

The foundation of the Atlantic 10's ascension to national prominence is solidified with an unwavering dedication to providing a broad-based, competitive athletic environment without sacrificing the high ideals of scholarship and sportsmanship. The University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of Rhode Island, St. Bonaventure University, St. Joseph's University, Temple University, Virginia Tech, and Xavier University offer a rich blend of proud academic and athletic traditions to form an impressive athletic alliance.

"The Atlantic 10 continues to prosper through our members' firm commitment to their student-athletes and to the future of the Conference," says commissioner Linda Bruno, who, in just three years with the Atlantic 10, has helped guide the Conference to prestige unparalleled in league history. "Each of our programs is dedicated to achieving the proper balance of excellence in both the classroom and on the playing field. The Atlantic 10 is proud of the accomplishments of our student-athletes but will continue to strive for even greater success."

The success the Atlantic 10 enjoyed last year was highlighted by the league placing five teams in the NCAA Men's Basketball Tournament for the first time ever, with St. Joseph's advancing to the Sweet 16.

In addition, George Washington carried the Atlantic 10 banner to the Final Eight of

the NCAA Women's Basketball Tournament; Massachusetts' softball team advanced to the Women's College World Series for the second time in five years; Rhode Island shot putter Michelle Fournier placed 10th at the NCAA Indoor Track & Field Championship; and the Massachusetts women's varsity eight placing second at the inaugural NCAA Women's Rowing Championship.

Success in each of its championship sports has been the hallmark of the Atlantic 10 Conference and that was reinforced this past year when 27 teams and 17 individuals earned berths to postseason competition. All told, 229 teams have represented the Atlantic 10 Conference in postseason play since the 1976-77 season.

Atlantic 10 student-athletes excel in the classroom as well. The Atlantic 10 sponsors several academic awards programs, including USAirways — Atlantic 10 Academic All-Conference teams in each of its championship sports (177 student-athletes were honored in 1996-97) and the Commissioner's Honor Roll, which honored an Atlantic 10 record 1,224 student-athletes with a 3.0 grade point average or better this past year. The league also cites a male and female Scholar-Athlete of the Year, and awards a postgraduate scholarship to both a

male and female student-athlete who express a desire to continue their education.

On June 14, 1994, Linda Bruno was officially introduced as the Atlantic 10's fourth commissioner. In her short tenure as commissioner, Bruno has strengthened the Atlantic 10's membership with the additions of Dayton, Fordham, La Salle, and Virginia Tech, thus

assuring the Conference's future. Bruno also negotiated a six-year television deal with ESPN/Creative Sports — the most lucrative and broad-based package in league history — which translates into the greatest amount of exposure ever for the Atlantic 10's athletic programs. She relocated the league office to Philadelphia, placing it in the center of the Atlantic 10's geographic footprint.

Under her leadership, the Atlantic 10 has increased its championship schedule to 21 sports with the additions of women's rowing and men's, women's outdoor track & field and the Atlantic 10 Football Conference, comprised of the former members of the Yankee Conference. In addition, Bruno instituted the Commissioner's Honor Roll, which cites every Atlantic 10 student-athlete with a 3.0 GPA or better.

The Atlantic 10 Conference will crown champions in 21 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's gymnastics, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, and women's volleyball.

LA SALLE

BASKETBALL

The University

La Salle University is a liberal arts institution which combines the best of all educational worlds. With more than 5,700 men and women attending classes, the University offers a pleasant environment within close proximity to Philadelphia's cultural, social and historic centers.

Founded by the Christian Brothers in 1863, La Salle is named for St. John Baptist de La Salle, the patron saint of teaching. This institution, which began as a one building academy in center city Philadelphia, is now on a 100-acre campus in Philadelphia's Germantown section.

The La Salle day and evening faculty numbers some 400, and the University offers nearly 50 programs of study. With a student-faculty ration of 14-to-1 and an average class size of 20, students can be assured of as much personal guidance as needed from faculty members. This commitment to the individual has always been a major tenet of the Christian Brothers' approach to education.

La Salle's curriculum requires the completion of 120 credits, but allows wide flexibility in choosing courses. A limited number of requirements in English composition, literature, philosophy and religion provide greater opportunity for depth outside the student's major field. The number of courses required by a department of its major never exceeds 17, leaving eight to 10 courses as free electives that may be used to build a strong minor/dual major or to diversify one's background.

Various independent study programs provide the students with greater options. A thriving nationally-recognized Honors Program is available for gifted students. "La Salle in Europe" offers students the opportunity to spend their sophomore or junior year at the University of Fribourg, in Switzerland, while receiving full academic credit at La Salle. Programs are also available for a semester or a year of study in Spain.

Among the major buildings on campus are: the Connelly Library; the Roland

Holroyd Science Center with facilities for study and research in Biochemistry, Biology, Chemistry, Environmental Science, Geology and Psychology; the Olney Hall classroom building, and the College Union which houses offices for most student activities and clubs and is the main meeting place on campus.

The athletic department is housed in Hayman Center, a building which is undergoing a \$6.3 million renovation. The

U.S. News & World Report has cited La Salle as one of the nation's leading regional universities.

facility, which will feature a 3,800 seat basketball arena, includes a 1,700-seat Olympic-size swimming pool and diving area, three regulation-sized basketball courts, weight training and exercise areas, a sauna, squash courts and a medical training area.

La Salle students come from 33 states and 18 countries. The University houses approximately 1,800 resident students in 13 residence halls and three apartment

complexes. More than 75 percent of the student body plan graduate or professional work in their fields, with more than 1,200 degrees conferred annually.

La Salle undergraduates have been awarded 50 Fulbright grants since 1970, one of the highest number presented to an institution in the Mid-Atlantic region. According to a recent survey, La Salle ranked in the top four percent nationally among private undergraduate institutions originating Ph.D.'s (33rd out of 877 colleges and universities).

Recently, La Salle has enjoyed increasing national attention, including:

- *U.S. News & World Report* named La Salle the 11th Best Value in the northeastern United States in 1997 and was a leading regional university in the 1993, 1994, 1995 and 1996 editions of "America's Best Colleges."

- *The New York Times*, Money magazine and Barron's all selected La Salle to appear in their guides to the "best buys in college education."

- The influential Long Island newspaper, *Newsday*, referred to La Salle as a "university on the rise" in an article titled "Where the Hot Schools Are."

- *Standard & Poor's* ranked La Salle 10th among the nation's liberal arts college in the number of graduates who are top corporate leaders.

- La Salle was selected to appear in Peterson's Competitive Colleges, a profile of the schools that consistently accept the nation's best students.

- La Salle had the nation's fifth highest graduation rate (94 percent) among approximately 300 Division I schools for student on athletic scholarships who entered in 1987-88.

- Each year, over 90 percent of all students recommended by the Health Profession Committee have been offered entry into medical schools.

- Each year, recruiters representing nearly 200 companies and organizations visit La Salle's campus to conduct job interviews with graduating seniors.

Academic Support Services

Student-athletes involved in an intercollegiate athletic program are in a very unique position. They are here in the role of both student and athlete and it is essential that they meet the demands of each role in order to experience success at La Salle. The Program of Academic Support Services for Student-Athletes was designed to assist student-athletes in their adjustment to their unique role. Through academic advising and essential support services, the active involvement of the student-athlete in the educational process is encouraged and the balance between academic and athletic achievement is fostered.

OBJECTIVES

- To assist the student-athlete in balancing academic demands so that their work toward an academic degree is completed.
- To provide a growth environment so the student-athlete can gain independence and achievement in all facets of life.
- To enhance the student-athlete's years at La Salle through the utilization of campus resources and enrichment programs.
- To assist freshmen and transfer students in their first semester in the adjustment to the demands of college through orientation program.
- To encourage excellence in academics and athletics so that the individual's experience at La Salle is a rich and rewarding one.

ACADEMIC ADVISING

The course selection sheet of each student-athlete is reviewed prior to fall, spring and summer registration to ensure that all requirements are being met to continue satisfactory progress toward a degree and to maintain athletic eligibility.

MONITORING OF CLASSROOM PROGRESS

In order to stay abreast of the academic status of our student-athletes, progress reports monitoring attendance, completion of assignments and test scores are requested of faculty members during the semester. These reports also indicate if the student might benefit from additional help in a specified skill area. Freshmen and other selected student-athletes also meet weekly with the academic support services staff to complete self-assessment reports detailing attendance, completion of assignments, class participation and any test or project scores received.

TUTORING

If it is determined that any student-athlete could benefit from additional assistance to meet the demands of their courses, special tutoring is arranged. Our student-athletes have also made extensive use of the Sheekey Writing and Study Skills Center, the Math Lab and the Computer Science labs where individualized assistance is provided in particular skill areas.

STUDY HALL

Study hall is an academic practice designed to provide structured time for the student-athlete to complete the demands of class work. A study hall is open throughout the day for the use of the student-athlete. In addition, a supervised study hall is held each evening, Monday through Thursday. Student-athletes are assigned to this evening study hall at the discretion of their coaches in order to assist them in developing the skills needed to manage their time efficiently and effectively.

COUNSELING

Academic, career and personal counseling is available through the Office of Academic Support Services as well as the La Salle University Counseling Center and the Career Planning and Placement Bureau. The Counseling Center also assists the Office of Academic Support Services with identifying particular learning needs of any student-athlete and recommending specific courses of action which can be implemented to help ensure the academic success of the student.

SPECIAL PROGRAMS

Throughout the course of the year, special programs designed to respond to the specific needs of the student-athlete are arranged. These programs cover a diverse array of topics to stimulate and encourage the development of the student-athlete as a whole person. In addition, special Study Skills workshops are offered in conjunction with the Sheekey Writing and Study Skills Center of La Salle University. An orientation program including such relevant topics as time management, anxiety, interpersonal skill development and university etiquette is provided through the semester.

Dr. Thomas Brennan

A new era in La Salle athletics began when Dr. Thomas Brennan became the school's fifth Director of Intercollegiate Athletics and Recreation on September 18, 1997. Brennan has been involved with collegiate athletics since his undergraduate days at LeMoyne College in Syracuse, New York, where he ran cross country and was student coordinator for the college's intramural sports program.

"La Salle has proven successful in the Atlantic 10, and I am excited to lead the department," Brennan said at his introductory press conference. "You must have integrity in your program, you must have a program which emphasizes the educational mission of athletics, and I know that is important at La Salle."

Prior to his arrival at La Salle, Brennan was the Athletic Director at San Jose State University, moving the school from the Big West Conference to the Western Athletic Conference. During his seven-year administration, graduation rates for student-athletes more than doubled, participation by women in intercollegiate athletics nearly doubled, and the university was recognized for Title IX compliance efforts and considered a model for NCAA schools which sponsor Division I-A football by the Office of Civil Rights of the U.S. Department of Education.

In addition, annual corporate sponsorship income for San Jose State sports increased by 500 percent and annual athletic contributions more than doubled. Fundraising and sponsorship programs were introduced for women's athletics, and Brennan

successfully solicited the largest gift to the annual scholarship fund in university history. Also, \$6 million was raised for a new field house and administrative complex.

Brennan was the Director of Athletics at Loyola College in Baltimore from 1986-90. During that time, Brennan successfully moved Loyola from the Northeast Conference into the Metro Atlantic Athletic Conference, a league in which La Salle was a member. The Greyhounds became national contenders in men's and women's lacrosse and men's soccer, and qualified for the NCAA Division I Championships in men's and women's basketball during his four

years.

The institution of a commercial radio and television network for Loyola basketball came under Brennan, as did the establishment of the Loyola Athletic Hall of Fame. Two new fundraising efforts were started by Brennan, and the installation of a multi-million dollar all-purpose athletic field came under his direction. While at Loyola, he was a member of the Board of Directors for the Maryland Special Olympics.

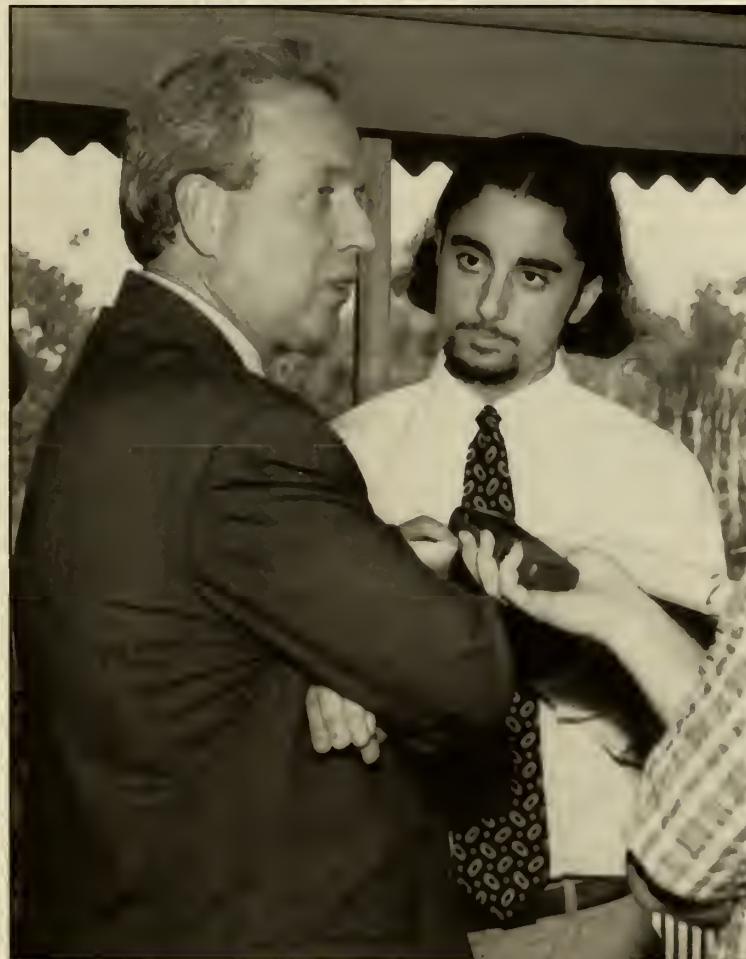

From 1980-86, Brennan worked at the University of New Mexico, first as Assistant Athletics Director and then Associate Athletics Director for Advancement at University of New Mexico. Upon leaving, he

oversaw the fundraising, media relations, sponsorship, marketing, sales and athletic alumni efforts. Joining the staff after a highly publicized athletic scandal, Brennan helped the school to a top-five ranking in men's basketball attendance. Part of his duties included establishing a statewide radio and television network which had more than 10 outlets. Prior to that, he oversaw the NCAA compliance program for the school and handled the academic support area of the department. While at New Mexico, the school hosted the NCAA Division I Final Four Men's Basketball Tournament.

His athletic administration career began at Syracuse University, where he was Academic Coordinator for the athletic department, serving as a liaison with the school's central administration, deans, department heads and coaches. Syracuse was recognized by the NCAA as having one of the top ten student-athlete graduation rates in the country.

A 1973 graduate of LeMoyne College, Brennan went on to earn Master's and Doctoral degrees in Higher Education Administration from Syracuse University.

A native of Brooklyn, N.Y., Brennan and his wife Ellen are the parents of Maggie (9), Tim (7), and Kate (3).

Tom Brennan was named athletics director on September 18, 1997.

A 1990 graduate of the University of Connecticut with a degree in Athletic Training, Cartolano served three years as assistant athletic trainer at St. John's University in the Big East, working with the nationally-ranked men's soccer and baseball teams.

She began her marketing career with a sports medicine clinic in Manhattan

prior to her relocation to Philadelphia in 1994.
